## LARGE SCREEN MONITORS

**E**ach contestant will project the same computer and video images. You'll be able to single out which projection technology and which projector best suit your needs.

A competition at this level, with so many heavy hitters stepping up to the plate, can be found nowhere else in the midwest.

If you're in the market for reliable, state-of-the-art presentation hardware, you can't afford to miss MVE's TOURNAMENT OF CHAMPIONS. Sign up today!

# You be the judge

AS TOP OF THE LINE LCD PROJECTORS AND PANELS, 3-TUBE PROJECTORS AND LARGE-SCREEN MONITORS FACE OFF FOR THE MOST PRESTIGIOUS AND COVETED AWARD IN THE BUSINESS—YOUR APPROVAL.

In addition to the on-going competition, MVE is proud to offer two free presentation seminars.

## Technology in Today's Conference Room

10:30 a.m. – noon

What do you need to do to maximize the effectiveness of your new conference or training facility?

Join us for an overview of meeting room needs analysis, design, benefits and budgeting.

We'll cover the basic issues of

- control systems
- projection systems • videoconferencing • audio
- screens and seating • lighting.

Don't even consider building or remodeling without attending this seminar!

## The Presentation Dynamic 1:30 – 3:00 p.m.

How do you grab an audience?

Join us for an introduction to the art of producing and giving presentations that will instruct, influence and convince any audience:

- how to build a solid story
- how to create visuals that increase attention
- the role of voice and gestures
- tricks and tips professional presenters use.

Having the latest technology is not enough. Learn to use it to maximize the impact of every presentation you make.
